About Dream Day on Cape Cod

Established in 1993, Dream Day serves seriously ill children and their families at their family camp in Brewster, Massachusetts. Every year dozens and dozens of families come to camp- and focus on fun, family, and respite.

Our mission is to “bring a ray of sunshine” into the lives of these special children and their families. Our hope is to give families the opportunity to create loving, lasting memories, outside of clinical settings, that transcend any pain and struggle they may endure.

What transpires during a week of fishing, crafting, archery, canoeing, singing, s’mores, and silliness is magical: a true soul-healing experience where possibility abounds. Simple family fun. Love.
